

TRUMP ONE CARD FAQs

When does the earning of Tier Points start for the 2011-2012 year?

June 1, 2011 - May 31, 2012.

What determines my card level for the 2011-2012 year?

The number of Tier Points you earned from casino play from June 1, 2010 through May 31, 2011.

How many Tier Points do I need to earn to achieve my card level?

Executive – 4,000 Tier Points

Chairman – 10,000 Tier Points

Signature – 70,000 Tier Points

What changes were made to the Trump One Card Program?

To become a member of the Signature Tier Club, you now need to earn 70,000 Tier Points.

Signature level players who earn more than 70,000 Tier Points will be able to roll over their additional Tier Points to the following year (maximum of 10,000 Tier Points).

A new tier bonus level has been added to the program. If you earn 100,000 Tier Points from June 1, 2011 to May 1, 2012 you will be part of this Exclusive Members Club.

Where can I see benefits for each card level (Executive, Chairman and Signature)?

If you have achieved one of these statuses you should have received a mail piece with all the new benefits prior to June 1, 2011 or you can visit trumpcasinos.com.

How do I get my new card for the 2011-2012 year?

Visit Trump One[®] Services to obtain your new card.

Will my current card still allow me to play, earn Tier Points, comps and download Bonus Slot Dollars?

Yes, but you will need to update to your new card to take advantage of your benefits like free parking, dedicated lines and much more.

Will the Rewards Catalog still be offered?

The 2010-2011 program ended on May 16, 2011, but a new program began on August 1, 2011.
